Exalted Ruler's Message...

Mother Nature is not being very kind to us so far. At the first of the month we had a bit of flooding on the golf course and the entrance. Not a lot of damage though. There is a lot of snow up there to come down; I guess we should be grateful for a cool spring.

The golf course is looking very nice thanks to Larry and his staff. I can't wait to be able to resume playing! Shoulder surgery has curtailed my golf until May.

I want to thank Ed Miller (Bremerton), Jeff Plaster, Terry Dahlin, Bob Walker (Burien), Patricia Gustin, George Sargent, Howard Fiscus, Dave Brown, and Greg Houser for making our Officer Installation one of the most memorable the Lodge has seen in recent years. Also, Don and his staff did a marvelous job with dinner, as well as in the lounge.

Congratulations to our Elk of the Year, Don Williams; an award he deserves hands down. Our Officers of the Year are Lana Davick and Bonnie Molsberry - good job and thank you both for the hard work you put in last year.

The Ritual Team is still gearing up for Phoenix, and there will be a lot of activities to help offset the cost for the team to go compete at Nationals. Look for signs in the lounge and read the Trumpet for some fun events. Come out, join in the events, and support your Washington State Ritual Team.

By the time you get your Trumpet, Easter will be over. Thanks to Scott and Jeannie Swedberg and all of the people who help them out. You guys make Easter a grand time for kids of all ages.

May brings Mother's Day Brunch at the Lodge. Please contact the staff for reservations if you plan to attend. See menu below. Thanks to the Board, we have a new BBQ for all to enjoy. Starting Sunday, May 1st, we will be offering burgers and dogs on the turn for the golfers. The Lodge officers will be cooking them up for you, so stop and grab a bite to eat.

For those that hadn't heard, we finished the Lodge year 2010-11 with positive numbers. Our Lodge grew by a few folks, feels good doesn't it? We hope to be able to do the same thing this year. There are a lot of positive reasons: events, golf and fundraisers happening this year. Friends you propose for Lodge membership are always welcome. Several "proposed" changes in Elkdom will be voted upon at the Grand Lodge session in Phoenix this year. If you wish to view them, go to: <http://www.elks.org> and sign up for an account using your membership card. Once you have done so, you can see the list of proposed changes upon signing in. Also, you can view the Elks Magazine online at the same location.

A Note from Larry...

Here it is, another Lodge year off to a great start. I think the whole year had a great start with one of the most impressive Officer Installation I have ever seen. Hopefully, this set the tone for a very successful year with a great slate of officers.

On another note, from February to late summer is the busy time of the year for the office staff. With golf money and Lodge dues, plus the entire year-end bookkeeping, I have had to set priorities on work for the staff. This will mean that any request for information or other work will have to go through me. Unfortunately, this may result in your not getting your request done as soon as you would like. I have also set a policy that if you don't have a key, don't come into the office. This does not apply to anyone who wishes to see me. My office is open to anyone when I am there. This new policy will allow me to manage the staff in a more efficient manner. Thank you for your help. See you at the Lodge and on the course.

From the Veterans Committee:

As we move into May, an exciting Veteran's event will be taking place at our Lodge. The 13th of May brings a former Marine riding across our great Country to raise awareness and support Wounded Warriors from the two conflicts we are currently engaged in. CPL Scot King is starting his ride in Oregon and ending in Washington DC around October. He deserves our support. Donations will be taken during May to help defray his cost of support and provide for the Wounded Warrior project he supports and that the Elks support. The ride website is: www.rememberthewoundedride.com.

We are also planning on having a Memorial Day weekend breakfast on the 27th of May. Tickets will be available in the office and at the bar for \$10.00 each. If you know a Veteran (Member or Non-Member) bring them to the breakfast. They eat free and getting Veterans together is always a good thing. Your \$10.00 donation will allow all Veterans to come to our Lodge and eat free as gratitude for the service they provided our country. I am working on a breakfast guest speaker and to dedicate our POW/MIA Table in tribute of their sacrifice.

Please help our Lodge provide support for our local Veterans. Thank you to our Lodge members and officers for their continued support.

Elk of the Year and Officer of the Year ~

One of the things that the outgoing Exalted Ruler gets to do is award Elk of the Year and Officer of the Year. At this past Installation of Officers, I was honored in giving out these awards.

For our Elk of the Year, I awarded that honor to Don "Coach" Williams. Don has spent many hours organizing and running our Wednesday night Texas Hold'Em Tournament, a very popular activity we have at the Lodge. Many people look forward each week to this and Don has been dedicated to running this tournament. Thank you, Don, for your commitment to this activity enjoyed by so many of our members, giving them another reason to want to be members of our Lodge.

For our Officer(s) of the Year I did something a little unusual. This past year I was very fortunate to have had very dedicated and hard working officers, which made our Lodge year a success. Each of the Officers this past year would have been very deserving of Officer of the Year. Each donated much time and effort to Elkdom and our Lodge. However, we did have two Officers that really shined this past year; because of this, I awarded two Officer of the Year. These officers were Bonnie Molsberry, our Lecturing Knight, and Lana Davick, our Esquire.

Bonnie was our ENF Chairperson and she and her committee helped to raise \$12,447 towards ENF. They held 50-50 raffles on Saturday mornings, a tour of the Firing Center, and a very impressive Auction and Dinner Dance. Bonnie was also committed to our Ritual performance, achieving All State as our Lecturing Knight.

Lana was our Activities Chairperson. She and her committee held our first "Outdoor Movie Nights", a Halloween Party for children, a Luau after our Therapy Golf Tournament, and a Crab Feed to benefit our Therapy Program. Lana was also our Membership Chairperson and helped with all interviews and orientations of our new members. Lana also was very committed to our Ritual and she too was an All State Officer as Esquire.

I wish to thank all of the officers and members who helped serve on committees and helped around the Lodge this past year. We would not have been successful without you.

When you see Don, Bonnie and Lana congratulate them on their accomplishments this past year, and thank them for their commitment to our Lodge.

~ Scott Swedberg, PER

Therapy Program News:

Thank you, Yakima Elks, for your generosity! In the 2010-2011 Lodge year, we donated \$15,200 to the Washington Elks therapy Program (WETP), a 52% increase over the previous year. This represents a whopping \$16.92 per member. We can take pride that a Lodge our size showed such solid support for "Our Kids".

Thank you, also for the donations to the Therapy Program that you included with your Lodge dues. Those donations go into the current Lodge year figures.

Please set aside July 30th for the 3rd Annual WETP Golf Tournament. Consider putting together a team, volunteering to help, gathering possible raffle prize donations or sponsoring a hole. Let's build on the success of last year as we are mindful that... *An Elk never stands so tall as when stooping to help a crippled child.* ~ Patricia Gustin, Tall Elks Chair
